

# Indo Aus Entertainment

Indo Aus Entertainment is a Sydney (Australia) based IT, media, and film Production Company. We specialise in producing quality Hindi, English (Australia based) and Marathi movies. We also provide services in film distribution & release, music album recording & release, web designing, advertising and marketing solutions.

With offices in Sydney (Australia), Mumbai (India) and New Jersey (US) Indo Aus Entertainment is providing services in IT, media, films, TV, advertising and marketing in 3 major countries: India, Australia and USA.

Currently, we are working on a Hindi movie: '**Sarfaroshi...the war against system**'. The movie is starring veteran actor Ayub Khan, Dillzan Wadia and Ahasan Khan (acted in various movies including Apaharan, Dev, Gadar). Also includes other actors such as Mushtaq Khan, Dinesh Hingu, Shraddha Sharma, Gehana Vasishtha etc.

Music is given by a well know music director from south Indian film industry Shri. Vaishnav Deva.

Sarfaroshi is going on shooting-floor by mid-April, and is set to release by October/ November 2012.

Apart from this movie, Indo Aus Entertainment is also planning to make further movies including an Australia based English-Hindi movie and a Marathi movie.

We are also planning the development of games-software which will be based on the theme of bollywood movies.

Indo Aus Entertainment is a proud member of Indian Motion Picture Producers Association (IMPPA, Mumbai).

Mr. Ganesh Loke is a founder and CEO of Indo Aus Entertainment. He come with the vast experience and background of IT industry in Australia. He has done his M.I.T. From Charles Sturt University in Australia. Then he has worked in IT & training industry in Sydney since 2001.

He has established his IT consultancy & IT training business in Sydney, and has also worked for the state department of education NSW DET.

Along with the business in Sydney, with his unique broad vision and management skills Ganesh Loke has entered in the entertainment industry with the formation of Indo Aus Entertainment Co.

With Indo Aus Entertainment, he is planning to produce movies in both countries: India and Australia. His motive is to bring both countries together through the exchange of rich culture in both countries and the popularity of bollywood movies worldwide.

Ganesh is also active in the social circle in Sydney to promote & protect the Indian culture in Australia.

With his unique, broad and ambitious vision Ganesh is also planning to enter into the games software industry along with the IT, media, films & TV production business.

### **Current Projects:**

Indo Aus Entertainment is currently producing a Hindi movie: 'Sarfarooshi...the war against system'.

It is a movie based on the terrorist attack in India, the nexus of corrupt politicians & corrupt system, and the rebellion of 3 young men against the system. The movie is starring veteran actor Ayub Khan , Dillzan Wadia (Hero of movie 'Phir Ek Saazish'), Ahasan Khan, Ganesh Loke,

Mushtaq Khan, Shraddha Sharma, Gehana Vasishtha etc.

The music is given by veteran musician from south Shri. Vaishnav Deva. The movie is written and produced by Ganesh Loke.

The movie will be on shooting-floor from mid-April and is set to release by October/ November 2012.

Indo Aus Entertainment is also planning the production of further movies including an Australia based Hindi-English movie and a Marathi movie which is currently at the stage of script development. We always welcome any new scripts or new ideas which would be interesting to work on.
